

# Privacy Policy for Automated Text Message Service

This Privacy Policy describes how information is collected, used, and protected when you interact with our automated text messaging service. By participating in this service, you agree to the practices described in this policy.

## ***Information We Collect***

When you opt in to receive messages from our automated texting service, we may collect:

- Your mobile phone number
- Any information you voluntarily provide through text responses
- Message interaction data such as delivery confirmation and response timestamps

## ***How We Use Your Information***

The information we collect may be used to:

- Send automated messages you have opted in to receive
- Respond to your inquiries or requests
- Improve the reliability and performance of the messaging service
- Maintain service records and system functionality

## ***Information Sharing***

We do not sell or rent your personal information. Your information may only be shared with trusted service providers that help operate the messaging system (such as SMS delivery platforms), and only to the extent necessary to provide the service.

## ***Opt<sup>■</sup> Out***

You may opt out of receiving messages at any time by replying STOP to any message you receive. After opting out, you will no longer receive automated messages from this service unless you opt in again.

## ***Data Security***

We take reasonable measures to protect your information from unauthorized access, disclosure, or misuse. However, no electronic communication system can be guaranteed to be completely secure.

### ***Changes to This Policy***

This Privacy Policy may be updated periodically. Any updates will apply only to future interactions with the messaging service.

### ***Contact***

If you have questions about this Privacy Policy, please contact the service operator responsible for the automated messaging program.
